Aims and Objectives

Provide ongoing support for parents/carers and children who are at risk of entering residential care

- Liaise between child, parents and DFFH
- Lead the care teams
- Identify possible services needed for the family and facilitate referrals to services
- Maintain contact and connectedness between the children and their parents
- Provide Culturally safe case management to children and their families

How we do this by assisting parents/carers to make informed choices regarding the children in their care to improve the safety, stability and development such as:

- Advocacy
- Case management
- Transport
- Counselling
- Referrals
- Mental Health support
- Personal support
- Housing

- Community development and education
- Early intervention strategies prevention
- Routines and Boundary strategies
- Liaising with schools/childcare centres
- Access information on housing, legal advice, income support, financial counselling, childcare, parenting, court support or other individual services as required
- Cultural mentoring

Referral pathway – Tcp@gunditjmara.org.au At Gunditjmara you can walk in and have a yarn with us about referrals. We often take our referrals from Child Protection however we appreciate hearing from you mob about children and/or young people you believe should have a TCP and we can follow up with Child Protection. Such collaborative activities are negotiated from a culturally safe perspective and may include secondary consultation or joint direct work with the family.
