FAMILY SAFETY & HEALING – MEN WHO USE VIOLENCE

The Gunditjmara Family Safety and Healing program provides culturally sensitive, confidential, and professional support for Aboriginal men who use family violence.

The service also supports non-Aboriginal partners of Aboriginal women or fathers of Aboriginal children who use family violence.

The service provides support to the region including Warrnambool, Portland, Hamilton, Heywood, Camperdown and Terang.

Aims and Objectives

- To provide culturally sensitive services to men who use family violence
- Engage with men who use family violence to promote respectful relationships and establish relationships
- Provide support to men who use violence to effect lasting behavioural changes
- Eliminate the incidence of violence to families

Types of Support

- ✓ Case management
- ✓ Advocacy
- ✓ Referrals
- ✓ Counselling
- ✓ Court Support
- ✓ Providing support to access legal advice and cultural connection

Referral pathway - please call 5559 1234 and ask to speak to Family Violence team member or email FamilyViolencetagunditjmara.org.au for a referral form to complete.
